NEWSLETTER 2023

JANUARY 2023 – DECEMBER 2023

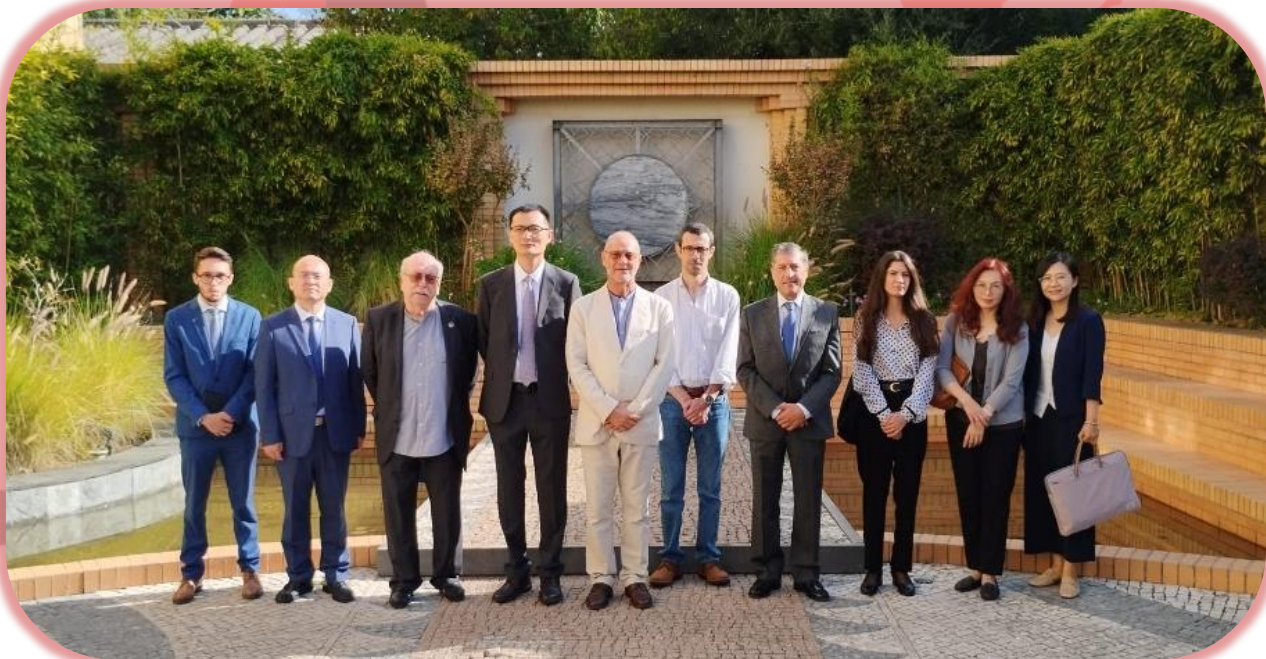

The **OBSERVATORY FOR CHINA (OC)**, founded on December 28, 2005, presents the newsletter with the main initiatives between January 2023 and December 2023.

Participation in the China Economic and Commercial Seminar in Portugal

Guangzhou delegation received at Coimbra City Hall

Meeting between the Observatory for China and the Institute of Strategic Studies of the Chinese Academy of Social Sciences (CASS)

Communication

The Observatory for China continued to publicize on its own media such as Facebook, Twitter, email and website about events organized by its associative partners and other organizations with activities related to China.

Of particular note are free courses organized by the Cultural and Scientific Center of Macau (CCCM) and the Confucius Institutes of the various Universities in Portugal.

The Observatory for China continued to collaborate with several newspapers, among other media outlets

Centro Científico e Cultural de Macau, I.P.
CIÊNCIA TECNOLOGIA E ENSINO SUPERIOR

Celebration of the 74th Anniversary of the People's Republic of China.

The Observatory for China was represented by its president, Rui Lourido and vice-president, António Queirós, at the reception celebrating the 74th Anniversary of the People's Republic of China, in Lisbon.

III International Congress “Portugal-China Intercultural Dialogues”.

The Confucius Institute of the University of Aveiro organized the third edition of the International Congress of “Portugal-China Intercultural Dialogues”, which took place on the 27th, 28th and 29th of September 2023, an event that had the support of the Observatory for China.

Guangzhou delegation received at Coimbra City Hall

António Queirós, vice-president of the Observatory for China and secretary-general of the Portugal-China Chamber of Cooperation and Development, was invited to receive the Guangzhou delegation, in the Sessions Room of the Coimbra City Hall. The meeting took place within the scope of the twinning between the two municipalities.
